PARALYTIC GIRL IS OVERCOME BY **NEARBY GAS LEAK**

Invalid Is Found Unconscious From Fumes Emitted Within Reach.

COULD NOT LIFT ARM.

Watches Death Steal Upon Her From Stove She Was Unable to Reach,

A tragic situation was made for Miss Catherine Phelan, a young woman who for three years has been a helpless of her home at No. 310 West One Hunfired and Eighteenth street, this afternoon, and saw a gas tube uncouple from the lighted stove and then felt the gas

Although conscious of everything that went on about her, and in full possession of all her mental faculties, Miss has lived with her younger sister, Martaret, since she was afflicted with for the Ananias Club.

Shortly before noon to-day the sister Catherine was carried into the lap so she could read. Presently the younger sister thought of something she had neglected to purchase and set out

Helpless in Face of Death. the had scarcely let' when the invalid

glancing at the stove, anw the tube of the lighted burner slip off and the liame go out. Her right hand was not four feet from the tube, which had fallen to the floor, yet she was helpless to reach it. She struggled to call out, out could only whisper.

The doors and windows of the kitchen were closed and as the volume of gas increased, the unfortunate young oman stiffled and choked. If she could unly have moved her foot, she might have put it on the tube and stopped

she realized that a slight delay would mean death. Time and again she sought "New 1. to throw her voice above a whisper, but failed, choking and gasping.

Desperate, but Helpless. Gradually her breathing became more Supp." lifficult and there was a heavy pounding in her ears. She watched the little tube r feet and almost imagined she rould see the deadly fumes rush from it. She thought of a hundred ways in which she might escape death, could she only move some of the paralyzed muscles. She struggled to throw herself from the upon the tube she could grasp it, somehow, and stop the lethal flow.

Then her senses began to leave her, and finally, as she heard the faint echo of her sister's step upon the stairs, she lost consciousness. Her helpless body fell half over the chair as the sister burst into the room and realized what

"First Aid" Saved Her.

heard out in the street by Policeman Praight. He summoned Dr. Rubel from the J. Hood Wright Hospital and carried the senseless para ytic to an open window. Then he applied first aid to the injured, and when the surgeon came he said that only this prompt action had saved the invalid's life.

When restored to consciousness she told her sixter of the forture she had sufficiently belonged clsewhere that it is positively refreshing to encounter one Rooseveltan idea whose authorship is undisputed."

sian act and race track gambling. He said: "My opponent yesterday is reported as saying he will have no man laying down his line of march. I do not want to do that; I merely want to know whether he is marching."

The meeting he addressed was at the Lyric Opera-House, which was packed to the top gallery, and the streets were lined with many hundreds.

Gov. Hughes pointed out the accomplishments of his administration in the departmental business of the State as

affecting the welfare of the factory employees and farmers. Waterway improvement and power production were also touched upon.

Two other stops of the afternoon enroute for Syracuse, where Gov. Hughes is to speak to-night, were Oneida and Canastota. FINED FOR AUTO SPEEDING. MINEOLA, L.
